A one night stand.
A secret.
A mistake they tried to forget.

On leave from the army, Tyler Dare was just looking for a little fun, but his sister's best friend is off limits. Yet unable to deny how sexy and alluring she is, he finds it all too easy to succumb to a night of passion and heat that ends the next morning in the worst way possible.

There are just some guys you don't touch--even someone as innocent and inexperienced as Ella Shaw knows that. But when her best friend's brother is up for grabs and willing, she can't resist. After all, she's wanted him for years...

Now, Ella is stranded on a tropical island with a hurricane bearing down, and only Tyler can save her. It's his chance to make amends for the past and show the woman he's never forgotten that he's coming after her . . . in more ways than one....
